Celebrating your child’s birthday at school.

We acknowledge and value the celebration of a child’s birthday however we encourage parents to be mindful of the following:

- Our School Nutrition Policy that actively supports and encourages good nutrition and healthy choices for foods and drinks.

- Students who have or may develop an allergy to food. Remember that we have a policy of avoiding the use of peanuts, peanut butter and other nut products.

SUGGESTIONS

- Please check in advance with your child’s teacher, that way they will be able to provide advice on a suitable time and day. This will give staff time to advise parents of children with allergies so that they can bring an alternative on that day. It also alleviates the loss of instructional time.

  Suggested healthy alternatives are:

  - Fruit platters
  - Plain cupcakes (mini preferred)
  - Fruit muffins
  - Veggie sticks and dip
  - Banana sandwiches cut into fun shapes.

Thank you for supporting us in our efforts to keep students healthy and safe.
